

# DEMARCUS JONES

## and the Solar Calendar

### READING GUIDE BOOK 1 PART 4/4

This section is about chapters 15 – 20 when Demarcus visited America with Abu Bakari before Columbus and when he met Manetho in Egypt.

1. Why do you think Demarcus asked Abu Bakari if the year was before year one?
2. Why do you think Abu Bakari didn't know who Columbus was?
3. What did Abu Bakari mean by "a river in the ocean"?
4. Why did Demarcus think he and Abu Bakari were in Mexico?
5. What did Abu Bakari say was needed to build a pyramid?
6. Why do you think there were big stone heads in La Venta?
7. Why do you think Demarcus's steps were larger than a normal step?
8. Why do you think the mounds were built?
9. Why was Demarcus surprised to see Black people in America?
10. Why did Demarcus think that Ms. Smith had him learning about fairytales?
11. Why do you think Manetho was trying to show Demarcus so many things at once?
12. Why do you think school in Waset lasted 40 years?
13. Why did Demarcus feel offended by Manetho's comments?
14. Why did Manetho say the people of Greece were not teachers?
15. Why did Manetho tell Demarcus that it was important for him to learn about war?
16. Why did Manetho say that Demarcus didn't know anything of his own legacy?
17. Why did Alexander II burn the books?
18. Why do you think the students of Greece were sentenced to death by their own government?
19. Why did Manetho seem frustrated when trying to teach Demarcus about learning?
20. Why was the Rosetta Stone important?
21. What did Manetho say was controlling the calendar?
22. How do you think the African Mysteries system could be both a religion and an educational system?
23. Why do you think Demarcus keeps getting new objects each time he uses the Solar Calendar?
24. What do you think happened to the Solar Calendar?
25. Why did Demarcus want to talk to Manetho again?
26. Why did Manetho say that current Egyptians cannot read Hieroglyphics?
27. Why did Demarcus question Greece being the mother of civilization?
