

# DEMARCUS JONES

## and the Solar Calendar

### READING GUIDE BOOK 4 PART 1/4

Section 1 covers chapters 1 – 8, when Demarcus meets Sage and they both meet Pharaoh Akhenaten before making an agreement.

1. Why do you think Demarcus didn't want to join the basketball team?
2. Why did Demarcus plan to make Sage a peanut butter sandwich?
3. Why did Demarcus laugh when Sage agreed that she was a genius?
4. Why do you think Sage didn't talk with Demarcus much?
5. Why did Demarcus think that the Solar Calendar was becoming stronger?
6. Why did Demarcus think he needed the rules to the Solar Calendar?
7. Sage said that she was an atheist. What do you think an atheist is?
8. Why did Demarcus think that it was difficult for Sage to talk to him?
9. Why did Sage scoff when Demarcus said that he can prove that God exists?
10. Why do you think Sage stopped when the man appeared?
11. What do you think the man meant by "the great story of the sky"?
12. What is the difference between earth's axis and the true axis?
13. Why was Demarcus confused when Akhenaten told him that the power lies with him?
14. Why do you think Akhenaten was excited when the sun rose again?
15. Why do you think Akhenaten tells Sage and Demarcus that they both think of God as a mythical character, even though Demarcus said that he and Sage have different beliefs about God?
16. Why does Akhenaten explain to them the story of the sky, when they're asking for more information about God?
17. Why did Sage change the terms of their agreement?
18. Why was Demarcus confused about the Solar Calendar?
19. Why doesn't Demarcus trust Sage?
